

How to Use Offers

1 Log on to your STEM Ambassador dashboard.

Go to "Offers" on the left-hand panel and select "Add offer".

2

3

Complete the form.

4

Click "Publish" to make your offer visible.

5

You will get an email if someone has expressed interest in your offer and you can discuss details.

Once a date has been agreed, click "Offer Activity" to the person who has expressed interest.

6

7

Remind them to click "Create Activity" to formalise everything!

Writing an Offer

For the Young STEM Leader Programme

About your offer

Name *

Young STEM Leader Programme Support

Offer Type *

Mentoring or support e.g. for STEM proje ▼

Promote your offer

Description *

(This will be used to advertise your offer to STEM clients, so please describe what the STEM clients will be required to do as clearly as possible)

I am a STEM Ambassador who has completed the Supporting the Young STEM Leader Programme training to support Tutor Assessors and Young STEM Leaders to complete the award. I am available to support both the non-formal and formal programmes. I can support with health and safety advice as well as careers information. I am available to do this online. I have a degree in Psychology from the University of Stirling as well as experience in public engagement, programme management and communications. For many years I have developed and delivered a range of STEM programmes and activities so understand the health & safety considerations that must be made.

Aim *

To provide support to the Young STEM Leader Programme.

Tips

- Use the "Name" field to make clear your offer is supporting the YSLP.
- Include as much information and details as you can.
- You will be able to agree a date and time with the teacher/leader once they've expressed interest.
